

# GMO-Free Starts With Non GMO Ingredients

Proudly Expanding Our Newest Line of Non GMO Gums

For over 85 years, we've been a trusted resource for the finest quality, most cost-effective gum and stabilizer system solutions needed for your unique applications. In keeping with our tradition of innovation and excellence, we are proud to bring you **TrueGum®**, our newest line of **NON GMO Project Verified Gums**.

We continue to provide our customers with a varied selection of cost-effective solutions across a broad cross-section of uses in the food and beverage industry.
